

Spread The Love

Of Moving Colors Productions is pleased to welcome you to the fourth annual Byrde's Dancers Scholarship Luncheon, an effort that brings life-changing arts opportunities to children in need.

Each year, OMC presents *Kick It Out*, a community outreach project that involves 75-100 children from all around our city. The project is a large one, encompassing four months of dance classes, learning under professional dancers, and performing onstage alongside them in a stunning production.

Around half of these children are only able to participate in *Kick It Out* through the assistance of scholarships.

A handful of those students receive a Byrde's Dancers scholarship.

A Byrde's Dancers scholarship is a full-ride scholarship that also awards children with a costume and shoes, photos and videos of the performance, as well as family tickets to *Kick It Out*.

We hope you will join us in cultivating Byrde's Dancers Scholarship Fund, as we endeavor to bring this incredible opportunity to as many underserved families as possible in 2021.

SCHOLARSHIP LUNCHEON

Welcome

We hope you enjoy Of Moving Colors Productions' first-ever virtual luncheon. Log onto Zoom a few minutes before noon to be a part of the interaction with our live attendees. Then enjoy the experience as we take you on a journey with snacks, smells, games, a raffle, and fun and inspiring videos from the children and our special keynote speaker.

Get ready for an exceptional online event, and don't forget to spread the love. Share a bit of chocolate, pour someone a mimosa, and donate to the Byrde's Dancers Scholarship Fund.
