## **How To Play:**

This bingo card is full of instances bound to happen during the virtual Byrde's Dancers Scholarship Luncheon. While you're watching the event, mark off the things on your card you either see or hear. Some items on your board will need to be seen, while others need to be heard. Make a note of what your items call for.

## **How To Win:**

When you get five in a row, raise your virtual hand to let us know you've won! You can find the hand-raising action at the bottom of your screen under the smiley face icon titled "reactions."

## **The Prize:**

Can't get enough of that toffee you got in your basket? You're in luck! The winner of bingo gets a delicious pound of toffee from Raw Sugar Toffee!
